

Mylo

How your donations help transform lives for disabled children

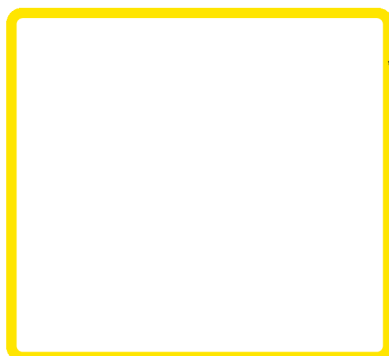

“The Yard is Mylo’s happy place”

For Ashley, a mum of four, finding support for Mylo before his diagnosis felt impossible. Mainstream spaces were overwhelming, and she often felt judged.

“The first time I walked in, I felt I didn’t deserve to be there. But I was wrong. Mylo can be himself, and nothing is ever too much trouble.”

Now, The Yard is a lifeline for the whole family—a place where Mylo plays freely, his siblings feel included, and Ashley has found a supportive community.

Every donation helps families like Ashley’s find a place to belong.
