### JOB PURPOSE

The Yard is an award-winning charity that runs adventure play services for children with disabilities and/or additional support needs and their families. We offer creative and inclusive adventure play experiences alongside wraparound support for the whole family. We believe in fostering communities of friendship and peer support without judgement. Since we opened in 1986, our services have grown significantly, but we will always retain our holistic approach and ethos of child-centred and child-led play services.

We are launching a new short break care service in Dundee for children and young people with disabilities, including complex care needs. This service is regulated by the Care Inspectorate.

We are now recruiting for Support Workers who will work as members of a team to deliver inclusive, social, recreational play activities such as arts & crafts, indoor and outdoor play. Assisted by another staff member, you will be required to undertake personal care, which may require moving and handling, and other additional tasks associated with a child's particular care needs.

The Support Worker role is required on Sundays. This opportunity is for contracted and sessional hours. We provide training, a welcoming team and a range of employee benefits.
