

WORLD CUP SWEEPSTAKE

Instructions

1. Print this sheet and cut along the grid lines.
To include more participants, print the first page multiple times so that each team is drawn more than once. This means several people will share the same team.
2. Fold each piece half and and put them in a hat.
3. Ask your colleagues, friends or family to draw a team in return for a suggested donation.
4. Make a note of who drew which team on the second page and keep it safe throughout the contest. You can cross off teams as they get knocked out.
5. Wait until the end of the contest to crown the winners! The sweepstake winners keep half the money and the rest is donated to The Yard.
